

GEORGIA
State Income Tax Withholding Election Notice
 for Qualified Periodic and Non-Periodic Pension and Annuity Payments

Withholding of Georgia State income tax is required from the taxable portion of periodic payments of pensions, annuities and other deferred income to residents of Georgia, unless you elect not to have the tax withheld. Non-periodic pension and annuity payments are not subject to state income tax withholding. However, you may request withholding from your payment.

Periodic Payments: You may elect to have state income tax withheld even if no Federal income tax is being withheld. Alternatively, you may elect out of state withholding and request to have federal income tax withheld. Please complete the Georgia Form G-4P below and return it to the following address or fax it to (888) 499-4315.

The Prudential Insurance Company of America
 P.O. Box 5370
 Scranton, PA 18507
 (800) 621-1089

If you do not return this form, and you have not elected out of Federal income tax withholding, Georgia state income tax will be withheld as if you claimed "single" with "zero" exemptions.

Non-Periodic Payments: If you do not want state income tax withheld from your payment, do not return this form.

Your election will become effective with the payment that is due at least one month after our receipt of the election and will remain in effect until you change or revoke it. You may change or revoke your election by filing another election form with us. Copies can be obtained from the above address.

Please note that withholding is a method of paying taxes. It does not increase or decrease the total amount of taxes you must pay. Penalties may be incurred under the estimated tax payment rules if sufficient tax is not paid either through withholding, estimated taxes, or both.

 DETACH AND RETURN THIS CERTIFICATE TO THE ADDRESS ABOVE. KEEP THE TOP PORTION FOR YOUR RECORDS.
