

KANSAS
State Income Tax Withholding Election Notice
 for Qualified Periodic and Non-Periodic Pension and Annuity Payments

Withholding of Kansas State income tax is required from the taxable portion of periodic and non-periodic pension and annuity payments made to residents of Kansas.

You may elect to have state income tax withheld even if no Federal income tax is being withheld. In addition, you may elect out of state withholding even if Federal income tax is being withheld, unless the payment is an eligible rollover distribution. Please complete the form below and return it to the following address or fax it to (888) 499-4315.

The Prudential Insurance Company of America
 P.O. Box 5370
 Scranton, PA 18507

Periodic Payments: If you do not return this form, and you have not elected out of State income tax withholding, Kansas state income tax will be withheld as if you claimed Single with zero exemptions.

Non-Periodic Payments: 5.0% of the gross distribution will be automatically withheld unless you elect out of state withholding. An election out of withholding cannot be made on a rollover eligible distribution.

Your election will become effective with the payment that is due at least one month after our receipt of the election and will remain in effect until you change or revoke it. You may change or revoke your election by filing another election form with us. Copies can be obtained from the above address.

Please note that withholding is a method of paying taxes. It does not increase or decrease the total amount of taxes you must pay. Penalties may be incurred under the estimated tax payment rules if sufficient tax is not paid either through withholding, estimated taxes, or both.

 DETACH AND RETURN THIS CERTIFICATE TO THE ADDRESS ABOVE. KEEP THE TOP PORTION FOR YOUR RECORDS.
