

UTAH
State Income Tax Withholding Election Notice
for Qualified Periodic and Non-Periodic Pension and Annuity Payments

Withholding of Utah State income tax is NOT required from the taxable portion of periodic and non-periodic pension and annuity payments. However, you may request withholding from your payment(s) by completing the Federal election form, writing "*For Utah Purposes*" on the top, and returning it to the following address or fax it to (888) 499-4315.

The Prudential Insurance Company of America
P.O. Box 5370
Scranton, PA 18507

(800) 621-1089

If you do not want state income tax withheld from your pension or annuity payment(s), do not return the form.

Your election will become effective with the payment that is due at least one month after our receipt of the election and will remain in effect until you change or revoke it. You may change or revoke your election by filing another election form with us. Copies can be obtained from the above address.

Please note that withholding is a method of paying taxes. It does not increase or decrease the total amount of taxes you must pay. Penalties may be incurred under the estimated tax payment rules if sufficient tax is not paid either through withholding, estimated taxes, or both.
