RELATIONSHIPS AND SERVICES
What investment services and advice can you provide me?
Description of Services: PAD offers fee-based variable annuities ("Annuity or Annuities") issued by insurance company affiliates to clients of investment advisers ("IA"). We do not offer Annuities issued by non-Prudential insurers. We are not involved in the advisory relationship between you and the IA. Your IA will refer you to PAD and PAD will recommend an Annuity, if this is in your best interest. PAD will be the broker-dealer for your Annuity, and we will deliver confirmations as well as quarterly and annual statements to you, either in paper or electronically.

PAD* is currently the broker-dealer for annuities sold prior to 2007. PAD did not sell these contracts, makes no recommendations with respect to these contracts, and does not monitor these investments.

FEES, COSTS, CONFLICTS, AND STANDARD OF CONDUCT
What fees will I pay?
Description of Principal Fees and Costs: The Annuity is subject to annual insurance charges with additional fees related to the underlying investment portfolios. There are also other charges for optional benefits. You may also be charged a contract level fund access charge. All fees and charges are discussed in the prospectus. You and your IA will agree on a fee for the IA to manage your investment in the Annuity; however, PAD is responsible only for the sale of the Annuity.

*PAD previously known as American Skandia Marketing Services, Inc.

Additional Information: You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. For additional information about Prudential Annuity product level fees, please see the specific product prospectus by visiting our website at www.annuities.prudential.com/investor/invprospectus.
What are your legal obligations to me when providing recommendations? How else does your firm make money and what conflicts of interest do you have?

**Standards of Conduct:** When we make a recommendation, we have to act in your best interest and not put our interest ahead of yours. However, the way we make money creates some conflicts with your interests. You should understand and ask us about potential conflicts because they can affect the recommendations we provide you. Here are some examples to help you understand what this means:

- **Proprietary Products:** PAD only sells Annuities that are issued, sponsored, or managed by affiliates of PAD, and we have a financial incentive to sell you these proprietary products.
- **Revenue:** PAD or its affiliates receive payments from the affiliated and unaffiliated portfolios and/or related entities. We consider the amount of these fees and payments (inclusive of administrative services) when determining which portfolios to offer through the Annuity.

**Additional Information:** For additional information regarding conflicts of interest, please see the product prospectus and the “Information for Prudential Annuity Distributors, Inc., Variable Annuity Purchasers” disclosure document.

How do your financial professionals make money?

**Description of How Financial Professionals Make Money:** Our financial professionals from whom you purchase an Annuity receive a salary and may be eligible for an annual bonus although the bonus is not based on Annuity sales.
